"Creepy Crawlies" by Michael Story

Creepy Crawlies Program Notes: "Whether you love 'em or hate 'em, they're everywhere. We're talking about bugs, and Creepy Crawlies is a tribute to those insects.

Pay close attention for the buzz of an annoying bug, the stomp signaling its demise and the deathly theme that follows. The return of the bug theme at the end shows that although you can get rid of one pest, you can't get rid of them all!
